

Volunteers Touching Lives, Lifting Spirits

People Who Care is a Qualified Charitable Organization for the Arizona Tax Credit.

This state credit was doubled last year to \$400 for those filing singly and \$800 for those filing jointly!

You're eligible for this credit even if you don't itemize deductions.

The money you would otherwise pay in taxes can benefit members in your community who are enrolled with People Who Care.

The Arizona Charitable Organization Tax Credit is in addition to and completely separate from the Private School Tuition and Public School Activity Tax Credits. You may participate in any or all three if you choose to do so. This donation is also deductible on your federal tax return. *Consult your tax professional for more details.*
